

# Connect2 will change your world

Registered Charity No. 326550 (England and Wales) SCO9263 (Scotland). Photo: istockphoto.com

Sustrans' Connect2 is transforming local travel in 79 communities UK-wide. By building new crossings over busy roads, railways and rivers and linking these into walking and cycling networks, Connect2 will enable many millions of people to travel on foot and bike for the local journeys we all make every day.
